Sir:

Responsive to the Office Action of June 20, 2005, applicant elects for further prosecution the invention drawn to a method of making an abrasive tool, classified in class 264, subclass 603.

Claims 1-3 are readable on the elected invention.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects in order to place this case in condition for final allowance, then it is respectfully requested that such amendments or corrections be carried out by Examiner's Amendment, and the case be passed to issue. Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, he is invited to telephone the undersigned (at 631-243-3818).

Respectfully submitted,
